- We deliver professional advice during the planning, organization and operation of your event.
- Our experience in congresses, conventions, incentive trips and events in general, as well as the destinations where we operate, allow us to offer services according to your needs.
- Our infrastructure allows us to offer service proposals seeking the best cost – benefit for your event.
- We have excellent business partners establishing alliances always in favor of our clients.
- We create experiences to make the event unique.

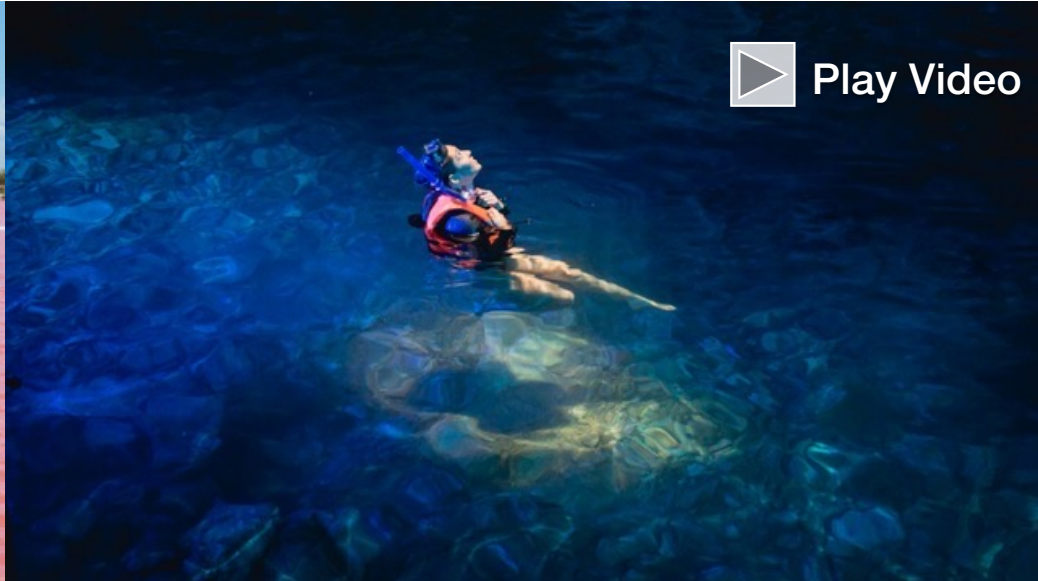

# Tour Operador

- Tailor made experiences for our customers.
- Listening to your needs, tastes and expectations is essential for us.
- we care about covering all the details, from the preparations upon your arrival until we say goodbye to you, putting all our effort to make your trip unforgettable.

CLUB DE PLAYA

# KOKOMO Club de Playa

A space created to disconnect, relax and recharge.

Enjoy the beautiful scenery of the emerald waters of the Yucatan coast and fall in love with the flavors of our culinary concept.

# Audiovisuals

- Cuidamos cada detalle, nuestro trabajo es mucho más que colocar y operar el equipo audiovisual, es hacer que este ayude a marcar la diferencia.
- We take care of every detail to make a difference.
- Our staff has constant training in the handling of equipment and new technologies.
- We are prepared to solve last minute requests.

Yucatán

# Event Software

- We develop our own technology for better management of congresses and conventions.
- Podiumeting is our congress, convention and event management platform, which allows us to automate registrations, hotel and tour reservations, among many other functions.
- Personalized app for events.
